Welcome to our sampler!

Thank you for your interest in our work.

We offer experience in the digital design field, including motion After Effects™, original digital design creation, and custom audio design using Pro Tools™ for synchronized audio services. Our specialty is Broadcast design, Corporate design, and Web graphics. We can also deliver files for print and/or digital delivery.

In this PDF you will find a few of our samples.

Feel free to contact us for project availability.

If you would like additional project information or to contact us, please visit our site at www.marcocrupi.com.

Thank you.
